GAUHATI TOWN CLUB

GAUHATI TOWN CLUB (GTC), a 109 years old sports club from Assam, India can boast of its professional cricket and football teams, is now vigorously pursuing a youth development programme by running 5 academies in cricket, football, chess, taekwondo & swimming to groom young talents. Some of its evergreen player members joined ACST bandwagon in Sixes Circuit in Hongkong since 2004 and highlight of their journey is lifting of the Championship Cup in Phuket Sixes,2010 apart from clinching other titles in Bowl & Spoons. Back to the circuit after a hiatus of 2 years, to be a part of the “fun in the sun”.

Members of GTC are :

SAMARJIT (MAMU) NEOG : Former 1st class cricket, a top corporate honcho in petroleum sector, now-a-day, prefers keeping track of fluctuating international crude oil prices than the cricket results & statistics. Great guy in round table conferences, be in board room or in a bar....beware, don't pick up a debate as, he seldom gives up till he makes you agree to his point. Favorite pastime is organizing KVS Alumni Meets for reasons best known to him !!!!

DEVAJIT (LON) SAIKIA : A lawyer and (mis)adventure lover, who also had a stint as a first class cricketer two decades ago, is a permanent member of GTC team since it became a part of ACST circuit in Hongkong in 2004 . Regular in 2 bars...in law court during working hours and other one, most of the remaining part of the day....also a regular in Phuket Sixes and enjoys good times “on and off” the field.

AMARENDRA (AMAR) NATH : Being a senior official of the Excise Department, regulates liquor affairs of the State, but yet to be part of the “*whiskey team*”still a hardcore fan of extra light beer...need to grow-up man !! Another regular since GTC's entry into the Sixes circuit...bowls precariously slow to demolish any male batsman's aggression and prowess...sheer deception is his forte. (only successful batter against his guile is Karen Rolten)

DHRUBAJYOTI (BOB) PATHAK: Another former State cricketer, instrumental in many victories, is an ace trekker in Himalayas, marketing strategist to sale ball bearing, lubricants, mixer grinder, insurance policies & ideas...you name it...he sells it in style & finesse . Turns into a complete entertainer once a guitar or a willow or a ball lands in his hand.

MANOJ KUMAR GOGOI : A hardcore cricketer who now holds a key position in Food Corporation of India...taken out some time from busy schedule to be in Phuket, his second time. Before boarding the flight, ensured that the country does not starve during his absence...a cool guy who loves to be dipped in liquid. be it in swimming pool or in a crystal glass (no details plz)

DEEP BORA : A former first class cricketer , now a full-time fitness freak and part time badminton, football player...also takes out some time to play cricket too...engaged by Indian Railways to man Guwahati Station and by GTC to entertain the team. Lastly, he cherishes some real good times in glamour & modeling world (ask him personally for details)

RAM KRIPAL GUPTA : First timer in Phuket , a serious type character who dreams cricket day and night...fighter to the core in the ground ---- one of the favourite coach amongst of the youngsters in GTC.

NAVROZE MUNWAR : A lawyer, builder, sports organizer, social activist and what not....latest edition is cricket...coming to Phuket as part of GTC for the first time and it will be a difficult for this fun loving handsome guy not to repeat. One secret...,,had a very tough time at home in convincing his better half to allow him come to Thailand without her.
